

# Chimichurri Sauce

## *Product Specifications:*

### *Uses of Product:*

- As a marinade for beef, pork, poultry or fish.
- As a dipping sauce to accompany any and all types of meat cuts such as beef tenderloins, tenderloin roast (filet mignon), sirloins, chuck roast, blade steak, rib roast, shanks, briskets, rump roast, round steaks and rib eye. It is a great accompaniment particularly for pork baby back ribs and pork chops and as a complimentary sauce for chicken and fish dishes.
- As a dipping sauce to accentuate the taste of sandwiches, wraps, quesadillas, baguette bread and foods of the sort.
- As a condiment for chicken, tuna, potato and egg salads.
- As a condiment for baked potatoes and steamed vegetables.
- As a stand alone salad dressing.
